Restorative Dentistry

*A **missed** or **cancelled** dental appointment presents problems for us both. For you, a missed dental appointment causes a delay in treatment that was recommended to help improve your dental health.*

*For our office, a missed dental appointment or one that is cancelled without 48-BUSINESS HOUR NOTICE, prevents us from scheduling another patient that could benefit from treatment. We schedule individual time with each patient to allow us to deliver the quality, personal care that every patient deserves.*

*Our office charges a \$50.00 missed appointment fee for all appointments that are missed or rescheduled without 48-hour notice. Longer operative appointments the fee may be increased.*

*We understand that things happen, and schedules do change. However repeatedly missing/cancelling your appointments will result in your dismissal from the practice.*

*We value you as a patient and look forward to seeing you for future appointments.*
